Heritage Open Days in Huddersfield

8-11 September 2016

29 FREE EVENTS
Heritage Open Days is England's biggest festival of history and culture, involving over 40,000 volunteers. Every year, over four days in September, thousands of sites across the country invite you in to explore local treasures of every age, style and function, and many special events are held. It's your chance to see hidden places and try out new experiences – and it's all FREE.

This year's Huddersfield programme has been co-ordinated by Discover Huddersfield (DH), which has prepared this brochure. The range of sites and events offered here is, we believe, the most extensive and varied HOD programme the town has offered to date, with old favourites alongside some exciting new entries. We are hugely grateful to the site organisers and volunteers for all the work they do.

We are also grateful to our sponsors, who have made this brochure possible. They are Kirklees Council (Museums & Galleries), Northern Rail, The Media Centre, the University of Huddersfield (Heritage Quay) and a private donor.

Heritage Open Days operates as part of the National Trust with funding from players of People's Postcode Lottery. Established in 1994, it is England's contribution to the European Heritage Days, which is held annually in September in 50 signatory states to the European Cultural Convention.

Every effort has been made to ensure that details in this brochure are correct at time of going to press, but for updated information please check www.heritageopendays.org.uk

Discover Huddersfield, www.discoverhuddersfield.com, is a community-led partnership offering new ways to experience the town's buildings, businesses and social history. We offer a wide range of printed town trails and a programme of guided walks. The Heritage Open Days programme has been developed for DH by Huddersfield Civic Society, Huddersfield Local History Society, Kirklees Libraries and Museums, Heritage Quay and the Huddersfield Society of Architects, supported by a student intern from the University History Dept.

Holy Trinity Church

Trinity Street, HD1 4DT

NEW EVENT

Holy Trinity Church was privately built in 1816-19 by Benjamin Haigh Allen, of nearby Greenhead Hall, to serve the growing town. It is a fine example of late-Georgian Gothic architecture; the chancel and sanctuary contain high-quality early 20th Century wood carvings.

In 2016 we are celebrating the 200th anniversary of the laying of the foundation stone of the church. Guided tours of the crypt (see below) will be led hourly, beginning at 11.30.

An exhibition by Huddersfield and District Family History Society will bring out family history links to Holy Trinity through research on some of those buried in the crypt. The church’s baptism and burial records and other records will be available for research and the Society’s volunteers will offer help and advice to those researching their family history.

Booking for the guided tour of the crypt is preferred. Tours will last approx 20 minutes.

Contact: Mrs Tania Webb, Church Administrator
Call: 01484 513213 Email: office@holytrinityhuddersfield.com Booking opens: 20 August 2016. Booking closes: 9 September 2016 1pm.

Access to the crypt is restricted to the guided tours. Entry to the crypt is via steep stone steps, which can be slippery when wet. Within the crypt access to the main chamber is by a ladder of approximately 12 steps, with a handrail. The ground surface within the crypt is quite uneven. Entry is at your own risk! Unsuitable for very young children and for those with restricted mobility.
