## About Heritage Open Days

Heritage Open Days (HOD) is England's biggest festival of history and culture, involving over 40,000 volunteers. Each year in September, thousands of sites across the country invite you in to explore local treasures of every age, style and function, and many special events are held. It's your chance to see hidden places and try out new experiences – and it's all FREE.

In 2018 it extends over two weekends, eight days in total. This brochure has been prepared by the Kirklees HOD Committee. Alongside exciting new entries, there are also many old favourites. To coincide with the centenary of votes for most women, some - highlighted in green in the listings - celebrate this year's national theme, Extraordinary Women.

Most events are open access but due to limited capacity, some have to be booked. **Bookable events are identified in the brochure and the booking process is explained below. Please respect this. If you don't book, you will be turned away. If you do book but find you can't attend, please tell the booking service.**

Kirklees HOD Committee is a partnership of Batley Smile, Discover Huddersfield, Holme Valley Civic Society, Huddersfield Civic Society, Huddersfield Local History Society, Kirklees Libraries and Museums services and Spenn Valley Civic Society; we are also supported by University of Huddersfield History students. We are hugely grateful to the site organisers and volunteers for the work they do and to the partners and advertisers who have funded this brochure.

Heritage Open Days is coordinated by the National Trust and funded by players of the People's Postcode Lottery.

Every effort has been made to ensure that details in this brochure are correct at time of going to press but sometimes things change: for updated information please check [www.heritageopendays.org.uk](http://www.heritageopendays.org.uk).

This walk will be approx. 4 miles and take 2.5 - 3 hours. Disabled access possible for most sites. For more information, contact Christine Senior at 07856 844432. Huddersfield Art Gallery, Princess Alexandra Walk, Huddersfield HD1 2SU

BOOKING ESSENTIAL VIA VIP

SAT 8TH 2 PM

'A Painted Veil' traces the life and work of the Manchester

architect Edgar Wood (1860-1935). Wood was an innovative Arts and Crafts architect, drawing on traditional materials and motifs to create a distinctive new style. He designed many buildings that can still be seen, mainly in Yorkshire, Lancashire and Cheshire, including the internationally-praised mansions of Briarcourt and Banney Royd in Huddersfield, and the iconic Lindley clock-tower (see Lindley pages). This beautiful film features many of his finest buildings, and includes interviews with architectural historians and the occupants of the buildings themselves.
